What is ACT?

Army Career Tracker (ACT) is a **leadership development tool** that **integrates training and education** into one personalized, easy-to-use website. Users can search multiple education and training resources, monitor their career development and receive personalized advice from their leadership.

Who Supports ACT?

As part of the **2011 Army Campaign Plan**, **Army Learning Concept 2015** (ALC 2015) and the **Civilian Workforce Transformation Initiatives,** ACT will allow users to manage their lifelong career objectives and monitor progress toward career requirements and goals. Army Civilian users can search for training or courses through multiple training catalogs and find educational resources to become multi-skilled, agile leaders of the 21st Century.
